

Welcome to my live “Frida” online creative class!

I am excited to have you joining me for my virtual class. Get ready to be creative!

This event is a LIVE VIRTUAL EVENT held via ZOOM.US.

Please read this as you will need to have some things ready before our scheduled time.

Be sure to have your ZOOM.US software already installed on you device and test it for connectivity prior to the class. We won't have time to do any troubleshooting, so it's best to be ready to go. (You do not need to pay for Zoom.us as a participant).

Enclosed is your VinoPaint Creative Kit for the basic necessities for your class:

8" x 10" Canvas 2 Paintbrushes Toothpick	12 Premium Color Acrylic Paint Set and extra brown paint Acrylic Gel Medium Small Sponge	Paper Towels Zoom Meeting Info Paper Template
--	---	---

Here is a list of items for you to have ready along with other optional supplies:

Paper Plate (for paint mixing) Water Cup/Water Scissors	Table Covering Paper Towels (extra) Sharpie (optional)	Extra acrylic paints/colors Plastic Gloves (optional) Apron or old shirt
---	--	--

This is a step by step class where I will show you the project in its entirety, I will make paint color suggestions, however the colors you select and the statements you choose are up to you! This way your project is personal to you. If you have extra acrylic paints, be sure to use these as well.

Because this is a live class, we will start promptly at the scheduled time, please be ready to sign in 10 minutes early to check in. We will need to provide you access so please be patient. If you are able to have your Zoom Name the same as your registration that would be easiest. I will be emailing you the Meeting ID and the password in a separate email via Active Campaign (be sure to check spam as well).

Be sure to unpack and have all your materials ready, get your favorite beverage ready! You can opt to have your video on so I can see you, however your audio may be muted. Comments and questions can be asked in the chat box. I would also love for everyone to share you final project on the VinoPaint Facebook and Instagram pages or email these to me!

We're going to have a great time! Thank you!

Sonya
